This listing of the claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

Claim 1-24 (Canceled).

Claim 25 (Previously presented). A method of assembling a tower for blown film processing inside an existing building for use in blown film processing, comprising the steps of:

erecting a platform supported by columns, the platform having an opening therethrough;

attaching a base member having a nip assembly mounted thereon to a lifting mechanism that is not connected to or coupled with the platform;

lifting the nip assembly mounted on member up through the opening in the platform without the use of telescoping support members; and

attaching the base member to the platform, wherein the nip assembly is used in blown film processing.

Claim 26 (Original) The method of claim 25, wherein the nip assembly is pre-attached to the support member.

Claim 27-30 (Canceled).

Appl No.: 10/717,001

Atty. Dkt.: PC-1088DIV

Claim 31 (New). The method of claim 25 further comprising the step of attaching hand rails to the platform.

Claim 32 (New). The method of claim 25, further comprising the step of: attaching stairs to the platform.

Claim 33 (New). The method of claim 25 further comprising the step of attaching hand rails to the platform; and attaching stairs to the platform.

Claim 34 (New). The method of claim 26, further comprising the step of: attaching stairs to the platform.

Claim 35 (New). The method of claim 26 further comprising the step of attaching hand rails to the platform.

Claim 36 (New). The method of claim 26 further comprising the step of attaching hand rails to the platform; and attaching stairs to the platform.
